Forecast For Wales
Issued by Met Office Exeter
at 1600 on Sunday 02 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy rain and strong winds through Monday.

This Evening and Tonight:
During the evening, any isolated showers gradually clearing with a few clear spells developing. Overnight cloud building from the west bringing showery outbreaks of heavy rain by dawn with strengthening winds. Minimum temperature 0 deg C (32 deg F).

Monday:
A wet day with outbreaks of heavy rain through the morning becoming widespread and continuous through afternoon. Winds widely strong with coastal gales. Rain clearing east late afternoon, showers follow. Maximum temperature 11 deg C (52 deg F).

Outlook for Tuesday to Thursday:
Sunny spells and showers, locally heavy on Tuesday and Wednesday. Perhaps wintry over high ground. Cloudier on Thursday with the risk of rain in south. Cold by day and night.
